

Rescue Pro Restoration: Your Trusted Partner for Water, Fire, and Mold Damage Restoration in North Idaho

When disaster strikes, whether it's due to water, fire, or mold, quick action is essential to minimize the damage and restore your property. That's where [Rescue Pro Restoration](#) comes in. As a trusted restoration service provider in **North Idaho**, we specialize in water damage restoration, fire damage cleanup, and mold remediation. We understand that emergencies don't follow a 9-to-5 schedule, so we offer [24/7 emergency services](#) to ensure that we're always there when you need us most.

What We Do: Comprehensive Restoration Services

At **Rescue Pro Restoration**, our team of certified and experienced professionals is dedicated to providing top-notch restoration services. Here's how we can help:

Water Damage Restoration:

[Water damage](#) can occur in a variety of ways, from burst pipes to flooding caused by storms or plumbing failures. Our water damage restoration process begins with **rapid water extraction** to prevent further damage to your property. We then use **state-of-the-art equipment** to dry and dehumidify affected areas. Finally, we will restore your home or business to its pre-damage condition.

Fire Damage Cleanup and Repair:

Fires can cause extensive damage, both to the structure of your property and its contents. Our [fire damage cleanup services](#) focus on removing soot and smoke residues, cleaning salvageable items, and repairing structural damage. We work quickly to minimize the destruction and prevent additional issues like mold growth due to water used in firefighting efforts.

Mold Remediation:

Mold growth is a common problem that can be triggered by water damage, poor ventilation, or high humidity. Mold can not only damage your property but also pose health risks to you and your family. Our mold remediation services are designed to **identify the source of mold**, safely remove it, and restore your environment to a healthy, safe condition. We use environmentally safe cleaning agents and techniques to ensure thorough remediation.

Emergency Plumbing Services:

In addition to water and fire damage restoration, we also offer emergency plumbing services to help with burst pipes, leaks, and other plumbing emergencies. Our licensed plumbers are ready to handle plumbing issues quickly and efficiently to prevent water damage from worsening.
